Introduction

The state independence of the Republic of Tajikistan, the 32nd anniversary of which is celebrated this year in the republic, is considered a unique event in the history of the country, during the period of independence, at the initiative of the founder of peace and national unity - the Leader of the Nation, the President of the Republic of Tajikistan, respected Emomali Rahmon, radical reforms were carried out in the direction of optimizing the investment climate and the development of the private and entrepreneurial sectors, which give significant results.

As a result of the implementation of an effective policy to ensure stable economic development and strengthen cooperation with international partners, the volume of foreign investments in the national economy aimed at achieving strategic goals increased from year to year, large industrial enterprises were created and operated.

On the initiative of the President of the Republic of Tajikistan, the Leader of the Nation, respected Emomali Rahmon, on October 14, it was declared "Entrepreneurs' Day", and holding a meeting of the President of the country with entrepreneurs and investors has become a tradition.

The tourism sector is one of the main sectors providing economic development. In the last decade, the tourism sector in the world has been steadily developing, despite economic and financial crises, political upheavals and social changes. In Tajikistan, in order to develop tourism and widely attract tourists to the tourist and historical regions of the country, the Government of the country has done a lot of work, and as a result of the measures taken, the number of foreign tourists to the country is gradually increasing. Tajikistan has great opportunities in the field of tourism, it is important and necessary to continue the reform of this sphere.
