The Chamber of Commerce and Industry of the Republic of Tajikistan has been organizing the International Universal Exhibition "Tajikistan" in Dushanbe since 2016 with the support of the Government of the Republic of Tajikistan.

The purpose of the exhibition is to demonstrate achievements in various production areas, present new products and services in order to expand the foreign economic activity of companies and attract investors to the country.

The universal orientation of the event provides an opportunity for companies from various fields of activity to take part in the exhibition.

To date, for the further development of the country, ensuring the implementation of national strategic goals, including the accelerated industrialization of the country in 2022-2026, declared the "Years of Industrial Development", Tajikistan is interested in attracting the latest technologies and investments for all spheres of the economy, industry, agriculture.

Within the framework of the exhibition, a business program is provided, a forum will be organized for exhibitors and representatives of the business community of Tajikistan and guests of the event. The forum will provide information on business opportunities and the investment climate in Tajikistan.
